packages	3/29/2020 4:35 PM	File folder	
CoffeeShop.sln	4/4/2020 2:52 PM	Visual Studio Solut...	3 KB

2. Ctrl + F5 to run project.

Login

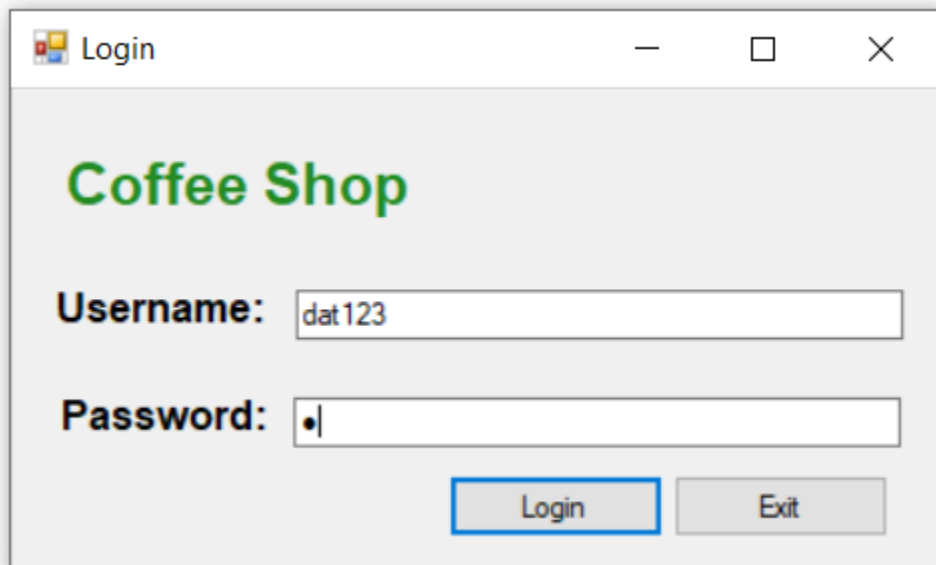

Coffee Shop

Username:

Password:

Login Exit

3. Input valid Username and Password -> Click Login button

The image shows a Java Swing window titled "Login" with a standard Mac OS X title bar (red, yellow, and green buttons). The window has a light gray background. At the top, the text "Coffee Shop" is displayed in a large, bold, green font. Below this, there are two labels: "Username:" and "Password:". The "Username:" label is followed by a text input field containing the text "dat123". The "Password:" label is followed by a password input field with a single black dot visible. At the bottom right of the window, there are two buttons: "Login" and "Exit". The "Login" button is highlighted with a blue border, while the "Exit" button is a standard gray button.

4. Form manager will display after login successfully.
